We are getting ready for our **Lenten Soup Supper and Study** each **Wednesday** during this special season. The last two years, we have looked at the Gospels of Mark and Luke as they were predominate during the year on our lectionary schedule. We will continue with that format with the **Gospel of Matthew**. The emphasis on our study will be looking how the Gospel of Matthew compares with the other synoptic gospels.

+++

We expect to have a simple soup and bread supper followed by our study for the evening and concluded with **Compline**.
